

YOUR IMPACT

When you give to BBBS, you are investing in a child's future.

By choosing to make a sustainable gift, your support allows our Bigs to invest in the lives of our Littles, one-to-one, for years to come.

Here are examples of how your sustainable gift may be used throughout the year.

\$100

*per month
or \$1200/year*

**Take a child off the waitlist
and support their match
for an entire year**

Sponsoring a match means that you impact every aspect of the mentorship and support the Big, Little and Little's family every step of the way.

\$50

*per month
or \$600/year*

**Provide one year of monthly
check-ins for a match**

Each match has a dedicated BBBS staff member to guide them during their mentorship and ensure a positive experience. Regular check-ins with the Big, Little and Little's family are an important part of the match.

\$25

*per month
or \$300/year*

**Find, train, and match a
volunteer with a child**

Once a volunteer Big's application, screening, and training is complete, they go through a thorough interview process so our staff can ultimately find the perfect Little for that volunteer.

\$20

*per month
or \$240/year*

**Connect Bigs and Littles
with fun activities**

Our staff works with community partners to connect matches with fun and educational activities around town, including museums, sporting events, festivals and more!

\$10

*per month
or \$120/year*

**Enroll a child in the
BBBS program**

During enrollment we spend time with each child and family to learn more about their interests. This allows our staff to match them with a volunteer Big who's just right for them.

Learn more about Big Brothers Big Sisters and how you can invest in a child at www.bigcentral.org. Recurring gifts can be set up through credit card, debit card or ACH charges. For questions on how to give, please contact Kelly at 204-7403. Big Brothers Big Sisters of Central Montana is a 501(c)(3).
